### **Uni of Newcastle Yr 12 Subject Spotlight - Early Offer Program**

We believe that your ATAR doesn't define who you are – it is your unique passions, abilities and ambitions that matter. Our Year 12 Subject Spotlight program rewards you with an early offer for your hard work and strong results in one or more subjects related to your degree. So, you can take some of the stress out of your final school exams, knowing your ATAR isn't all that matters. There is no separate application for the program – simply apply through UAC and have UON listed as your first preference at midnight on December 16 2018 to qualify. Choose your preferred degree from the drop-down menu below to see what subject marks you'll need to receive an early offer.

<https://www.newcastle.edu.au/study/undergraduate/getting-in/entry-schemes/subject-performance-scheme>

## Student Life in the Tertiary World

Choosing what to study and where to study is really just the tip of the iceberg. Once you've finally made the big decision and turned up for your first day, student life is everything that follows. Your time as a student is a whole lot more than just showing up to class and displaying a diploma on your wall. Rather, it's about the complete picture and what you get out of your experience, including minor ups and downs and the general challenges that come with taking time out to complete post-compulsory education.

<https://www.gooduniversitiesguide.com.au/study-information/student-life>

## How to get Industry Experience While You are Still Studying.

It's never too early to start thinking about getting your foot in the door. University can be a tad overwhelming for new students but once you've become settled, it's a good idea to keep an eye out for any workplace opportunities. Whether it's through an internship, volunteering, work experience or a combination of all three, getting ahead is entirely possible while you're still studying.

<https://www.gooduniversitiesguide.com.au/education-blogs/career-guidance/how-to-get-industry-experience-while-youre-still-studying>

## **Schools in the Shoalhaven - Shoalhaven Education Fund**

Closes 31 December

The Shoalhaven Education Fund (SEF) was established to provide much needed financial assistance and support to local youth to help them achieve their post high school education, training and vocation aspirations. We recognise that the cost of regional students pursuing their post high school goals is often much greater than those of their metropolitan counterparts and that sometimes these costs can be prohibitive.

<https://cef.org.au/foundations/shoalhaven/>

## **Country Education Foundation Scholarships Guide**

Your local Country Education Foundation (CEF) supports youth in your area through financial grants for education and employment expenses. Our grants contribute towards apprenticeships, traineeships, cadetships, diplomas, certificate level studies, university qualifications or employment.

There's a scholarship for everyone and everything – you and your career dreams included! Don't be put off thinking you won't be successful because there are 4300-plus scholarships in Australia going begging for you to have a go at.
