UNSW United Nations Workshops

27 March

Or 26 June

Law Building, Kensington Campus, UNSW

Do you dream of being part of the United Nations, or making a difference in how world events play out? Join us for our UNSW Arts & Law United Nations Workshop.

In collaboration with the UNSW United Nations Society, this unique opportunity will enable you to learn about the work and operation of the United Nations through a Model UN (MUN) - a simulation of the debate and diplomacy which occurs in the UN's real General Assembly.

If you're in Years 10-12, come and be inspired by addressing and resolving real world issues affecting our global society – building your skills in diplomacy, negotiation and public speaking.

[Click here for more details.](#)

UNSW 360 Virtual Tour

Tour through UNSW on your mobile or PC. Explore the different departments and see what University life is like. Imagine yourself enjoying the experience of studying in a tertiary environment and making new friends along the way. Some of the greatest things happening on this planet are being developed in the labs and study rooms at UNSW. Check it out here:

<http://www.360tour.unsw.edu.au/>

University of Sydney 360 degree tour

Enjoy looking across all parts of the university in any direction you choose. Look at what university life is like across the lecture rooms, activities, research labs, sport and much more.

<http://tour.sydney.edu.au/>

Cochlear Autumn School of Engineering

20-24 April

For Year 11&12 Students studying Adv/Ext Maths; Physics/Chemistry. Engineering Studies an advantage but not compulsory. 5 Day program visiting 5 x Universities & 5 x organisations. Meet Engineers; Graduates & Uni Students & Lecturers. Learn about opportunities & career paths DETAILS: limit 4 students per school; For Regional Students. E: stemnsw@engineersaustralia.org.au

During the day the students will visit the following universities and split into smaller groups for problem solving activities that range across Engineering disciplines.

- University of Sydney
- Western Sydney University
- University of NSW
- Macquarie University
- University of Technology Sydney

They will visit the following engineering organisations: - *(to be confirmed)*

- RAAF Richmond (Defence/Mechanical/Electrical/Aerospace)
- Cochlear (biomed/mechatronic/mechanical/materials/sound & acoustics)
- TfNSW
- ANSTO
- Thales

*Autumn School is not a residential course, however, we have arranged 20 subsidised packages for Regional students. Based across the road from UTS (*our daily meeting point*) includes 5 nights accommodation, breakfast each morning and dinners each night. There will be 2 Engineers Australia Staff onsite at the hotel.

VIP: attendance at CASE2020 is recognised by NSW Universities and serves to support students' application into Engineering Degree courses.

UTS Girls in STEM May 2020

21 May, 2020. 8:30 am - 2:30 pm

Engineering and IT Building, Building 11 Broadway

This one-day event provides an opportunity for female students to explore different areas of Science, Technology, Engineering, Design and Building. Students participate in a range of hands-on activities plus they get an inside look at life as a student and professional in the STEM.

<https://www.uts.edu.au/about/faculty-engineering-and-information-technology/events/uts-girls-stem-may-2020>

Charles Sturt Advantage 2020

The Charles Sturt Advantage is back in 2020. Year 12 students can gain a conditional offer to study at Charles Sturt University through demonstrating a variety of soft skills. Applications open 1 June and close on 31 August. Students can register their interest at the link below. For more information 1800 ASK CSU.:

<https://www.csu.edu.au/advantage>

Charles Sturt University Medicine Information Night

Come and hear all about Charles Sturt University's new Doctor of Medicine. Find out about admissions, UCAT, and rural or Indigenous entry as well as CSU's brand new facilities and Orange campus life. Contact

ANU Tuckwell Scholarship - Be on the Mailing List

One of the most prestigious scholarships in Australia. The program has a focus on giving back to Australia and is the only one of its kind that nurtures Scholars to fulfil their broader community ambitions over and above the pursuit of an undergraduate degree.

<https://tuckwell.anu.edu.au/applying/tuckwell-scholarship-mailing-list>

Sydney UTAS – Medical Programs

Darlinghurst campus

The University of Tasmania's Darlinghurst campus is located in Sydney's inner city and is serviced regularly by public transport. [Nursing](#) within the [School of Health Sciences](#) offers the two year fast track [Bachelor of Nursing](#) course through the Darlinghurst campus in partnership with the [St Vincent's and Mater Health Services](#).

The University's Darlinghurst campus is co-located on the site of the [St Vincent's Hospital](#) Darlinghurst campus. St Vincent's Hospital is Australia's second oldest hospital and has a long history as a premier teaching hospital. A major public and principal referral hospital, it specialises in heart/lung transplantation, bone marrow transplantation, cardiology, cancer, HIV medicine, respiratory medicine, mental health as well as drug and alcohol services.

Rozelle campus

The University of Tasmania's Rozelle campus is located in the inner western suburbs of Sydney, in close proximity to the Sydney central business district and regularly serviced by public transport. The Rozelle campus is part of the Callan Park Precinct, which is known as the old Rozelle Psychiatric Hospital, now no longer used for this purpose. There are numerous government organisations within the precinct including Ambulance Service of New South Wales headquarters and community education departments.

The University's [School of Medicine](#) offers the [Bachelor of Paramedic Practice](#) through the Rozelle campus and this course is supported by the [Ambulance Service of New South Wales](#). The School of Medicine at the Rozelle campus aims to provide the community with sound, comprehensive out-of-hospital care through the development of paramedic students conversant in the field of paramedic practice.

The University's [School of Health Sciences](#) offers the fast track two year [Bachelor of Nursing](#) course through the Rozelle campus in partnership with the [Sydney Local Health District](#), [South Western Sydney Local Health District](#), [South Eastern Sydney Local Health District](#) and [Illawarra Shoalhaven Local Health District](#).

Apply Now - Experience in 2020 a week as a Marine Biologists - UTAS Marine Discovery Scholarship

This predominately field-based unit consists of 5 days on picturesque Maria Island on the Tasmanian East Coast. The unit is open to 24 students and is designed to engage, challenge, excite and inspire you through a hands-on marine science program. It will encourage you to explore issues threatening biodiversity as well as the productivity of the marine system. Climate change, invasive species, pollution, debris and their associated social and economic impacts will be covered. Apply here:

<https://secure.utas.edu.au/imas/study/undergraduate/marinediscoverycompetition>

2020 University of Newcastle Science & Engineering Challenge

The Science and Engineering Challenge is a nationwide STEM outreach program presented by the University of Newcastle in partnership with communities, Rotary clubs, universities and sponsors. Through the Challenge, students experience aspects of Science and Engineering which they would not usually see in their school environment. The Challenge runs a range of programs but focuses on inspiring students in year 10 to consider a future career in science and engineering by choosing to study the enabling sciences and mathematics in years 11 and 12. See below for your nearest venue for an event.

There is a location nearest to you here:

Summer in Oxford Program

International Summer In Oxford offers high school students between the ages of 14 to 19 an exclusive opportunity to catch a glimpse of studying at prestigious universities in the United Kingdom. Participants spend part of their summer in an academically renowned city, studying a subject of their choice, and attending workshops focusing on the university preparation and application process.

Summer I: 5 July – 18 July 2020

Summer II: 19 July – 1 August 2020

Summer III: 2 August – 15 August 2020

Summer IV: 16 August – 29 August 2020

To apply, simply fill out the [application form](#) online.

You can also download our [PDF application form](#), fill it out and mail it back to us.

To apply:

<https://summerinoxford.com/>

Open Universities Australia

Study a university degree online and at your own pace. When you choose **Open Universities Australia**, you get more than online study. You get to choose between some of Australia's leading universities such as RMIT, Macquarie, Swinburne and many more. You can pick a degree, work your way through the course when and where it suits you (that's the beauty of online education), and then **graduate with the same qualification as an on-campus student**.

Becoming a Creative Professional Masterclass

25 February

JMC Academy Sydney, 561 Harris St, Ultimo

Led by Australian Producer, Singer, Songwriter, Graphic Designer and Photographer, Michael Carpenter, this masterclass will explore a variety of avenues to get students started on their careers outside and during their Uni degree. First up Michael will cover general concepts such as developing your public profile, show reels, social media perceptions and strategies, through to some financial basics when starting your own business, including learning how to charge for your services, and being aware of your tax and debt commitments. Lastly, he'll discuss the psychology of dealing with clients, building a client base, and refining your professional practices. The 2 hour class will conclude with a thorough Q and A, so bring along your questions!

<https://www.jmcacademy.edu.au/events/industry-events/becoming-a-creative-professional>

Journalism Micro-Courses

Jschool has added two micro-courses to its suite of journalism-related units - open to senior secondary students. Each 4-week online unit gives a basic foundation with considerable feedback to enable ongoing solo study. The units are Teeline Shorthand Basics and Keys to Journalism. Units are run in April, June, September and December 2020, at \$299 per unit. Call 1300 859 975. Or visit:

<http://www.jschool.com.au>

NIDA Work Experience Program

What's it like to study at NIDA? What skills do you need for a career in performing arts? In 2020 NIDA offers non-Acting work experience to students interested in design, making, building, sewing, lighting, sound. NIDA's work experience program offers Year 10 and 11 students the chance to spend a week in Kensington, Sydney to observe and, where possible, participate in classes. Apply:

The Australian Indigenous Education Foundation

AIEF provides scholarships that enable Indigenous students to attend leading Australian schools and universities, as well as mentoring and career support to ensure students make a successful transition from school to further studies or employment, productive careers and fulfilling lives

View the scholarship and educational benefits for indigenous students at:

<http://www.aief.com.au/about/>

Big Science Competition

Register by 22 April

Running from 20 to 29 May

Yr7 to Yr 10 - Enjoy solving scientific problems. It's a 50 minute, multiple choice competition testing critical thinking and problem solving skills, not just factual recall, so you can find out what's really going on inside their heads. Questions are set in real-life, contemporary contexts, making them relatable (and interesting). [Take a look at some sample questions](#). Track their performance against state or national averages.

<https://www.asi.edu.au/programs/big-science-competition/>

Country Education Foundation Scholarship Support

A scholarship can help you get on your way to achieving your further study dreams by covering the costs of textbooks, course fees, equipment, accommodation and living costs. Search for your opportunities here:

<https://cef.org.au/student-support/search-for-scholarships/>

Future Teachers Scholarship Opportunities

Closes 24 April

Value - \$4,000. The NSW Teachers Federation Future Teacher Scholarships Committee will award 15 scholarships worth \$4,000 each to successful applicants across the following five (5) categories:

- Future teachers (Open to all applicants);
- Future teachers who identify as Aboriginal and/or Torres Strait Islander;
- Future teachers from a rural or remote area (significant distance from the nearest tertiary institution);
- Future teachers in their first year of a teacher education program; and
- Future teachers from a Language Background Other Than English (LBOTE).

Where possible, applications should be made online: www.nswtf.org.au/pages/future

Information here:

<https://www.nswtf.org.au/future-teachers-scholarship-application>

How to stand out without work experience

Tips on how to get experience to impress an employer. It can be hard to get a job if you have no work experience. There are some things you can do to get work experience, even if you haven't worked in a paying job yet. These things will help you stand out without work experience.

Future Demand Still Strong for Surveyors

Higher graduate salary and excellent job prospects are just two reasons surveying is a career path secondary students should take note of. According to The Good Education Group, which publishes The Good Careers Guide, surveying has the fourth highest average starting salary at \$60,049 compared with the national average of \$52,840.

Graduate surveyors are also among the most likely to be employed straight out of university, with the third highest employment rate at 78%.

\$20 Boss – The Largest Entrepreneur Program for Students

Pre-registration open.

\$20 Boss is a nationwide in-school entrepreneurship program for primary and secondary school students. Students are provided with \$20 of start-up capital to create, launch and operate a business venture over the course of a school term. The \$20 Boss program is about putting skills development at the forefront of learning. The program toolkit includes comprehensive lesson materials, a variety of tasks and activities, teacher notes, assessment and monitoring tools, as well as advice and inspiration to enrich enterprise learning. Visit here:
