UNIVERSITY

Business Cadetships

Opens - Monday 9 March 2020

Closes - Wednesday 13 May 2020

Open to Year 12 students who wish to pursue a business career. Cadets combine university study with paid work at **UBS**, a top-ranking global bank. Over the last thirteen years, Professional Cadetships Australia has provided Year 12 students with the opportunity to apply for a cadetship with leading companies in the financial services industry, including UBS, Bank of America Merrill Lynch, BNP Paribas, Westpac, QBE and Zurich. In 2019, UBS intends to offer cadetships across the firm under the Business Cadetships Program. In addition, the bank intends placing Technology Cadets under this Program. ANU How to Apply Direct 2021 - Consider which ANU programs are best for you

View [Programs and Courses](#) to find a program that best suits your interests.

You can also view admission requirements including minimum selection rank, prerequisites, study options, and any additional entry requirements that are required as part of your application.

Check that you meet the co-curricular or service requirement

The co-curricular or service requirement considers the knowledge you have developed outside of the classroom and recognises this in your ANU application.

You'll need to provide documentation to support your activities over the last two years, such as school reports or certificates for community activities. You can view [examples of documentation](#) we accept, or use our [supporting documentation](#) template to help.

Find out if you meet the requirements by using our [co-curricular or service calculator](#).

Full details on all the steps on how to apply are below:

ANU Webinar Series: College of Arts and Social Sciences

10 March 5.30pm

Get an introduction to Anthropology with the ANU College of Arts and Social Sciences.

In this webinar we answer your questions about university life through the lens of Social Anthropology, a process of studying the ways people live and behave in different cultural settings across the world - including here at ANU. Social Anthropology uses empirical methods to investigate the human experience and looks at the different ways people 'do' and understand things such as education, politics, sports, gender, violence, marriage, art, science and more. Just as if an anthropologist was studying a particular cultural group in Africa, he or she could look at the specific culture of the ANU

UNSW Built Environment Workshops

14 to 23 April. 9am to 3pm

7 to 16 July. 9am to 3pm

We'd like to invite you to the Experience UNSW Built Environment Workshops at our Kensington Campus during the April School Holidays. Our free interactive and hands-on workshops, for students in years 10 -12, incorporate Design, Architecture, Planning and Construction to solve a real-world challenge - investigating better solutions to enhance the lives of children and elderly living in a city.

With the world's population rapidly increasing, there is an urgent need to design cities which are smart, healthy and liveable for both the younger and older population – a challenge that designers, architects and planners are facing today.

April apply here: <https://www.events.unsw.edu.au/event/experience-unsw-built-environment-workshops-april-2020>

July apply here: <https://www.events.unsw.edu.au/event/experience-unsw-built-environment-workshops-july-2020>

UNSW Experience Science Day

24 April. 9am to 3pm

Are you interested in experiencing a day in the life of a first year UNSW Science student on campus?

Let us take you on a journey through some of the different branches of Science that you can study and find out about all the awesome opportunities available to UNSW students.

You'll get to ask questions throughout the day and pick the brains of current Science students and academics.

Become well informed about your options and experience the practical side of university studies with some interesting classroom and lab activities.

This event is designed for Year 12 high school students who are interested in knowing more information about their options for starting university at UNSW next year.
