10 differences between high school and university

Uni is a whole different ride to high school. The transition can be rough: you're going from thirteen years of being told when and how to learn, to being thrown into a completely independent environment where it's up to you to get anything done. Aside from not having to ask to go to the bathroom, there's a tonne of differences between university and high school.

<https://year13.com.au/articles/differences-uni-high-school>

Update From UCAT ANZ: How COVID-19 Will Affect the 2020 UCAT Exam

After contacting UCAT ANZ about their plans for 2020 UCAT, we recently received an official response: they are monitoring the COVID-19 situation and will make a final decision in June. For now, Pearson VUE have adapted tests to meet health advice. To view the full video update, plus advice about what students should be doing now, please visit our Instagram:

<https://www.instagram.com/icanmeducat>

Free Holiday UCAT Webinar (5/4) for Students: Final 90-Day Study Plan to Complete UCAT Preparation

For the safety of all students and parents, our free UCAT workshops have moved online. This free 3-hour UCAT webinar will provide a 90-day, week-by-week study plan (with objectives and recommendations) and live teaching for Sections 1-5, plus an analysis of the most common exam-day issues candidates faced in 2019 and how to avoid them. Register here:

<https://icanmed.easywebinar.live/syd-fw-050420>

Study Medicine Resource – Put Your Time to Good Use and Research Best Options to Get Into Medicine

Getting into medicine is all about strategy. It starts with understanding all the possible medicine degrees you can apply for. Do you know the undergrad degrees that lead to medicine; the application processes each university uses and the ones that give you the greatest chance of being accepted?

<https://www.studymedicine.com.au/>

STEM – Undergraduate Careers Advice

There's so much pressure to choose your career straight out of high school – how do you know if you've gotten it right? We've compiled some essential tips on how to choose an undergraduate degree when you're just not sure, that should ease even the most worried mind. Read more:

<https://careerswithstem.com/undergraduate-degree-advice/>

University of Newcastle - Study and travel across Indo-Pacific

More than 400 students from the University of Newcastle will have the opportunity to work on projects across the Indo-Pacific region, thanks to the latest funding announced under the Australian Government's New Colombo Plan.

Be part of 16 projects across 12 countries, between 2020 and 2023.

[Read more](#)

University of Newcastle M A Morley Scholarship

20 August 2019

[Applications open](#)

Closes 24 November

Up to \$75,000. The Ma & Morley Scholarship Program is a transformative experience offered to students of the University of Newcastle who want to change the world. The program aims to inspire, educate and cultivate the next generation of globally aware and socially conscious Australian leaders.

<https://www.newcastle.edu.au/scholarships/ma-and-morley-scholarship-program>

Key dates: <https://www.newcastle.edu.au/scholarships/ma-and-morley-scholarship-program/key-dates>

University of Sydney – Have an interest in Languages?

The Bachelor of Arts/Bachelor of Advanced Studies (Languages), is open to students with existing language skills and those wishing to learn new languages. It will enable students to develop high-level intercultural competency and communication skills. Their language studies will be complemented by practical skills in multilingual translation. The course is endorsed by the [National Accreditation Authority for Translators and Interpreters](#) (NAATI).

UNSW Study Medicine in Wagga

From 2021, students can undertake their undergraduate Medicine degree from the Wagga Wagga Campus. Visit the [UNSW's website](#) from April 2020 for more information on campus selection.

UNSW Law LAT - Eligibility for remote access extended to regional NSW

Students who reside outside the greater Sydney, Newcastle and Wollongong areas as well as candidates who reside interstate or overseas and are not able to travel to a test venue are now eligible to sit the LAT by remote proctoring.

Find out more on [UNSW's website](#). Or here:

<https://law.unsw.edu.au/study/law-admission-test>

Western Sydney University - Speech Pathology - New

WSU's new [Speech Pathology](#) degree combines evidence-based studies in speech pathology with a broad understanding of biomedical and health science, linguistics and psychology. This will help students develop the professional competencies essential for ethical and safe practice, high-quality care and the skills to work in multidisciplinary teams. The final two years of the degree focus on the development of advanced knowledge in speech pathology and clinical practice, which are used during clinical placements to treat patients in the community.

Western Sydney University Free HSC Study

July 13 – July 17

Campbelltown and Parramatta South campuses

Our Free HSC Study Sessions are led by highly qualified and experienced educators who will give you the skills and knowledge to maximise your HSC results.

Each workshop is an invaluable addition to your school studies, as you will develop a solid understanding of HSC exam techniques, subject knowledge, and HSC preparation skills. As well as leaving with more confidence, skills and knowledge, you will also go home with a subject workbook, and some Western Sydney University merchandise.

<https://www.westernsydney.edu.au/future/student-life/events/free-hsc-study-sessions.html>

Western Sydney University - Discover Science – New Degree – A major for nearly every interest

[Science](#) options have expanded at Western. Students can enrol in one of the following 15 majors in our Bachelor of Science degree: Animal Science; Applied Physics; Biology; Chemistry; Data Science; Ecology; Environmental Futures; Environmental Health; Forensic Biology, Forensic Chemistry; Forensic Science; Mathematics; Microbiology; Nutrition and Food Science; or Zoology.

Southern Cross University Personal Campus Tour

In the meantime, should you live in or be visiting one of our beautiful campus regions, you are welcome to take a personalised guided tour, which will give you the chance to look around and meet staff on campus.

Bookings for campus tours are essential. Please email campustours@scu.edu.au or phone 1800 626 481.

ANU Applying direct for 2021

You can apply direct to ANU for 2021 and be considered for an early conditional offer. This will allow you to focus on what's really important - completing your final year.

Direct applications open 4 March 2020. You can apply if:

- You will complete your Australian Year 12 studies in 2020 or an International Baccalaureate Diploma in November 2020
- You will be applying for an undergraduate program that starts in 2021.

What you need to know:

- There is no application fee
- You will be required to meet the [co-curricular or service requirement](#)
- You will apply for admission, [guaranteed accommodation](#), and over 200 [scholarships](#) all in one application.

University of Canberra Alternative Entry

UC offers a number of entry initiatives that give applicants the opportunity to gain entry via alternative admissions schemes. Our entry schemes are offered to both applicants who are currently studying in school and those who may have been out of study for some time.

[Adjustment factors](#) are available to a range of eligible undergraduate students and are points that are added to your Australian Tertiary Admission Rank (ATAR) or entry rank to give you an adjusted entry score. UC offers three types of adjustment factors: Subject adjustments, Educational Access Scheme (EAS) and University Priority Groups.

[The Schools Recommendation Scheme \(SRS\)](#) is available to current Year 12 students and provides an opportunity to secure an offer to a UC undergraduate course if recommended by their school.

[Portfolio entry](#) is offered by the Faculty of Arts and Design (FAD) for all applicants seeking entry to an undergraduate FAD course.

[Fast Forward](#) is an early offer scheme which allows currently enrolled Year 11 students from specified Australian schools and states to apply and receive conditional offers for admission to nominated UC courses.

[Special consideration](#) is available to all applicants to UC who have experienced circumstances that have impacted or disadvantaged their previous study who do not meet the criteria to receive bonus points.

UTS Law First Year Peer Mentoring Program

Run in conjunction with the UTS Law Students' Society, this program is tailored to ease your transition into UTS Law. It provides a great medium for you to connect with your peers and senior law students, as well as an opportunity to develop your legal study skills.

Each mentor group is led by senior year UTS Law students who volunteer their time to share their experiences and offer helpful advice to new students settling into the study of law. All mentors receive training provided by the Faculty of Law. Mentors work in pairs and run hour-long sessions over the first six weeks of each session. This program is available to all first year undergraduate and Juris Doctor students, including part-time and international students.

<https://www.uts.edu.au/current-students/current-students-information-faculty-law/student-support-and-mentoring>

UTS Bachelor of Accounting Co-op Scholarship Information Evening

13 May

Closing date for online applications: 29 May 2020. For more information, email carin.alberts@uts.edu.au.

Register at: www.bachelorofaccounting.com

Students - Register Their Interest with ACU

Are you considering ACU? In light of current social distancing restrictions, students are interacting with universities online. We encourage your students to stay up-to-date with important dates, events and information by providing their contact details here:

<https://www.acu.edu.au/study-at-acu/register-your-interest>

Monash Information Evening Webinar and Albury Visit

23 April. 6.30pm to 8pm.

We know that choosing a university is a big decision. Get all your questions answered at our information webinar. During the informative webinar, you'll learn about what it's like to study at Monash. Find out about our range of courses, accommodation options, scholarships, student life and so much more!

<https://www.monash.edu/information-evenings/albury>

Bond Health Simulation Experience Day

13 June

Experience what it's like to work as a healthcare professional

Experience what it is like to manage the care of real patients, from start to finish. Health Simulation Day is your chance to consult with clinical doctors, physiotherapists, dietitians, occupational therapists, biomedical and exercise scientists, and other allied health professionals, gaining a deep understanding of the different career options available in the health sciences.

<https://bond.edu.au/future-students/study-bond/see-yourself/experience-days/experience-day-health-simulation>

Open to all students from Year 9, the test will provide insight and practice for the official SAT required for admission to US universities. The online practice test will be invigilated by Internationally Educated and scores immediately available. Registration: <https://www.internationallyeducated.com.au/news>

TAFE

Corona Virus and Apprentices – Help for your Employer to Help You

The Government is supporting small business to retain their apprentices and trainees. Eligible employers can apply for a wage subsidy of 50 per cent of the apprentice's or trainee's wage paid during the 9 months from 1 January 2020 to 30 September 2020. Where a small business is not able to retain an apprentice, the subsidy will be available to a new employer.

<https://business.gov.au/Risk-management/Emergency-management/Coronavirus-information-and-support-for-business/Supporting-apprentices-and-trainees>

HSC and Further Study at TAFE

Education and training can open a world of opportunities. TAFE NSW can assist you to build bridges to further study so you can reach a new future. So whether your goal is to finish your high school studies, gain entry to a career of choice, or to study for a degree at TAFE NSW or university, our courses and programs can help you. TAFE NSW courses and related support programs will boost your confidence and be an asset for life.

[Click here.](#)

TAFE InfoFest 2020

With hundreds of courses, diplomas and degrees, InfoFest is a great opportunity to get the lowdown on your perfect career. Whether you're looking to change careers, a school leaver wanting to get qualified faster, a skill seeker after a promotion, or just looking for some essential skills to help launch your business, you can explore your options at the TAFE NSW InfoFest. We will throw open our doors, to future students looking for course information and students wanting assistance in finalising their Semester 2, 2020 enrolment. Keep an eye on this page to stay up to date and register for sessions from mid-May. If you need information before then, drop into [your local TAFE NSW location](#) and speak with our friendly staff to find out more. Alternatively, you can call us on 131 601. <https://www.tafensw.edu.au/infofest>

Women in Trades Videos

Skills shortages, advances in machine technology and a shift in attitude are just some of the factors that have led to the acceptance and encouragement of women taking part in traditionally 'male' trades. Some key industries that now persuade women to get involved are Automotive, Building & Construction, IT, Manufacturing, Engineering, Mining and Rural & Farming.

<http://www.skillsone.com.au/category/women-in-trades/>

COLLEGES

Whitehouse Foundation Sewing Studio

Sydney Campus 5 Day Holiday Workshop

13 - 17 July. 10 am - 3 pm daily

Whitehouse Institute of Design, Australia, 2 Short Street, Surry Hills

The Foundation Sewing Studio provides individuals with an introduction to the application and modification of patterns, together with techniques to embellish and construct a complete garment. The Foundation Sewing Workshop is aimed at those wishing to gain pattern making and sewing skills or those with an interest in fashion. The 5-day sewing workshop provides foundations to designing a garment for themselves using simple pattern modification techniques either by computer or manually. Then to be able to cut and make the garment using simple techniques that guarantee success.

<https://www.eventbrite.com.au/e/foundation-sewing-studio-winter-workshop-2020-5-days-sydney-campus-tickets-92299226471>

GENERAL

Five Essential Steps before You Apply for an Accountancy Job

Before you put finger to keyboard to fill in a job application for a grad position at an accountancy firm, it's an excellent idea to go through the following five steps.

<https://youunlimitedanz-guide.com/applying/five-essential-steps-before-you-apply-for-an-accountancy-job>

Nursing Scholarships in Australia

Choosing to study a [university degree](#) can be one of, if not the most significant financial investment you will make. It will often determine who you will be, and the career pathway you will take. Making this decision is hard enough, than having to worry about how you will finance your nursing education. The government offers a number of ways for you to support your studies, the most common of which is a student loan. However, accumulating a massive debt, doesn't need to be the only option. Numerous institutions from around Australia offer a range of different nursing scholarships that can help you pay your tuition fees.

<http://nursingcourses.net.au/nursing-scholarships/>

Your Free Guide to Making Your Nursing Career

Nurses can have a [massive and lasting impact](#) in the lives of those they treat. Registered nurse Laurie Bickhoff [expands on that beautifully here](#). The scope of what people are doing with a nursing degree is expanding, and Australian College of Nursing CEO Debra Thoms speaks about [nurse leadership from the ward to the boardroom](#).

Australian Mathematics Competition

AMC will be held on Thursday 30 July 2020

Australian entries close: 16 July (paper), 23 July (online)

The AMC is an engaging 30-problem competition that demonstrates the importance and relevance of mathematics in students' everyday lives; it is open to students in years 3 to 12. Australia's leading educators and academics, with a deep understanding of our national curriculum standards, actively design the unique AMC problems each year. The AMC is run by teachers in schools. We offer ongoing support and resources prior to and on the day of the competition. Held in term 3, the AMC has five divisions: Middle Primary (years 3–4), Upper Primary (years 5–6), Junior (years 7–8), Intermediate (years 9–10) and Senior (years 11–12). The AMC is available in both printed and online format, it doesn't matter where your school is located. And, of course, there are special arrangements for visually impaired students and distance education organisations.
